Child Development Watch

Child Development Watch is the statewide early intervention program for children ages birth to age 3. The program's mission is to enhance the development of infants and toddlers with disabilities or developmental delays and to enhance the capacity of their families to meet the needs of their young children.

Parents with children ages birth to age 3 can call Child Development Watch at:

New Castle Referral line: (302) 995-8590
All other inquiries call: (302) 995-8617
NCC toll free: (800) 671-0050

Kent and Sussex Counties CDW: (302) 424-7300
Statewide toll free
CDW Kent/Sussex Counties: (800) 752-9393

Child Find

At the age of three and older, the responsibility for identifying children with developmental delays and providing services to children with special needs is with each of the public school districts. To ask questions about your child's development and how to have your child assessed, contact your local school district. The telephone numbers for the Child Find Services in each school district are listed at right.
